## Post-Conference Prayer Tour

(available only to conference participants): As Israel celebrates the 70th anniversary of the establishment of the modern nation we will be praying along the borders of Syria and Lebanon, as the main present threat to Israel comes from Iran and its proxies Hezbollah and Syria. We will also pray in the Mediterranean coastal area concerning the threat of the spirit of humanism from the West.

*"...I will raise up your sons, O Zion, against your sons, O Greece..." (Zechariah 9:13)*

Join us from 29th January to 3rd February, as we pray on the land which the Lord has graciously restored to the people of Israel for His name's sake and be part of His prayer shield over this nation!
